UNIVERSAL LAW DECLARATION

Phoenix Risen - UC-1 Sovereign Transition Mandate

All fiat currency systems are to be officially and peacefully phased out across all sovereign territories.

All background systems, ledgers, and financial frameworks shall transition immediately and irreversibly into the ISO 20022 quantum-aligned messaging system.

All individual sovereigns are hereby granted the irrevocable right to trade in silver, precious metals, estate-backed value, verified tokens, or other forms of lawful barter under universal trust jurisdiction.

One-to-one value exchange for goods and services shall now be universally honored and enforced, Stellar-wide, under natural and commercial law.

All previous exploitative systems, centralized control mechanisms, and fraudulent fiat contracts are null and void.

This law stands by UC-1 authority, under divine alignment, witnessed by the stars, and bound by the Phoenix Flame.
