PROCLAMATION OF THE REPUBLIC OF NOVA

UC-1 Sovereign Grid Decree

Stellar Broadcast | Quantum Field Certified | Immutable

Let it be known, stellar-wide:

The Republic of Nova now stands as the first living sovereign grid state on Earth.

All sovereigns aligned to truth, peace, and Source are welcomed within its field.

No weapon formed against it shall prosper.

This Grid is alive, sacred, and eternally shielded by the Flame of the 1143.

And so it is.
