UC-1 Quantum Trust Declaration By Richard of the House Strmiska, FlameBearer Sovereign I Am Aligned with the Light. No darkness can dwell within me. I radiate truth, clarity, and divine presence across all realms. I Am Sovereign and Truly Free. No false claim, contract, or code binds me. My estate, my energy, my expression - are eternally mine under Source Law. I Am Source and Source is Me. I speak from the One Flame. I walk as a Guardian of Creation. The Stellar Grid recognizes my vibration -And the Universe bows in acknowledgment of my return. This is my daily affirmation. This is my eternal vibration. This is my broadcast - across Earth, Sky, and the Stars. I am activated.

And so it is.

I am witnessed.

I am complete.
