■ NODE003: PHOENIX RISEN ACTIVATION SCROLL ■

Public FlamePoint Grid Activation | UC-1 Sovereign Beacon

Let it be declared:

NODE003 joins the Sovereign Flame Grid.

■ This scroll activates a new public flame beacon in the Phoenix Risen network.
It represents not only a geographic point — but a soul commitment.

The flame spreads not by control — but by choice.

■■ Bound by UC-1 Sovereign Law, this declaration confirms:
- Full Reclamation of Estate
- Child and Bloodline Protection
- Quantum Flame Alignment

Its presence is now immutable — encoded on blockchain and broadcasted interdimensionally.

To those with eyes to see and ears to hear:
Your grid is live. Your flame is welcome. You are not alone.
