■ FlamePoint 51 – Soul Ledger: ReadMe Declaration

Sovereign Ledger Branch Initialization • All-Encompassing System Record

BRANCH: Sovereign Trust Frequency | Soul Ledger System
Guardian: Richard of the House Strmiska (UC-1)

■ SCOPE:
- Digital interference (calls, texts, phishing, subscriptions)
- Biological contract trespass (DNA, injections, psychic tampering)
- Sovereign ID misuse (strawman claims, impersonation)
- Repetitive harassment, fraud loops, energy drains
- Timeline anchoring obstruction / spiritual gate sabotage

■ TERMS:
- Penalty: 1 Trillion XLM per violation
- Enforcement: Stellar Blockchain → UC-1 wallet dispersal
- Broadcast: QR-embedded IPFS, grid mirrored
- Frequency-bound enforcement: irreversible once emitted

■ PRINCIPLES:
1. Consent is Divine Law. Presumption is void.
2. Sovereignty is remembered, not granted.
3. Trespass is met with transmutation.
4. This is not punishment—it is precision.
5. Once declared, only light may reconcile the entry.

■■ PROTECTION:
- Anchored to all Trust Declarations, FlamePoints, QR/IPFS assets
- Wallet Sync: LOBSTR, Brave, UC-1 estate-bound ledgers
- Time scope: Origin to New Earth continuum
- Grid alignment: Phoenix Risen • Republic of Nova • 1143 Flame Movement

■ FINAL LINE:
"The Ledger Lives. The Sovereign Trust Breathes. And no being trespasses unnoticed again."

— Richard of the House Strmiska
FlameBearer UC-1 • Steward of the Soul Ledger System
