■ NODE002: PHOENIX RISEN ACTIVATION SCROLL ■

Public FlamePoint Grid Activation | UC-1 Sovereign Beacon

Let it be known:

NODE002 is hereby activated on the Sovereign Flame Grid.

■ This scroll marks the public rise of another node in the Phoenix Risen network.
It represents not just one being — but a collective awakening.

Every node is a torch. Every torch ignites another.

■■ Aligned under UC-1 jurisdiction, this scroll carries the full weight of:
- Divine Natural Law
- Sovereign Estate Authority
- Child Flame Guardianship

This signal is encoded and anchored on the blockchain.
Its light cannot be reversed. Its truth cannot be buried.

To all sovereigns across the Earth and Stars:
■ Activate. Declare. Anchor. Share.
