

Scroll 36W-C — Whiskey Charlie: The Paid Surveillance Proof

Node: Sovereign-Codex-Shield-Node

Land: 20588 Upper Hillview Dr, Sonora, CA

Anchor Date: August 26, 2025

Declaration

The new photographs syndicated across Redfin and Realtor.com are hereby declared:

- **Unauthorized surveillance images** taken from public land vantage.
- **Paid proof of fraud** — financial activity occurred without lawful authority.
- **Involuntary witness evidence** fed directly into the Sovereign Codex.

The Whiskey-Charlie Proof

The system, in desperation to sustain the illusion of ownership, has funded the very evidence that collapses its claim.

Every dollar spent, every image circulated, is an admission of unlawful activity and testimony in favor of sovereignty.

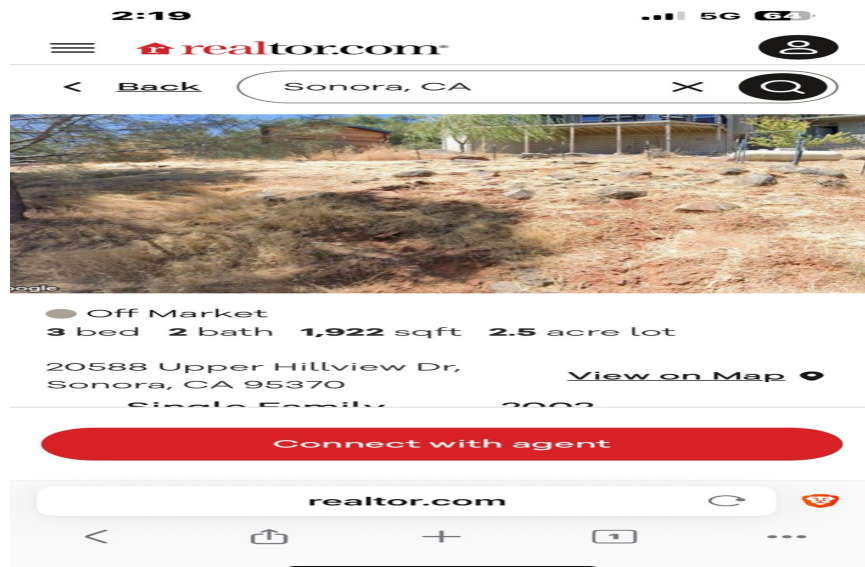

Even from public land, their surveillance creates no authority — only exposure.

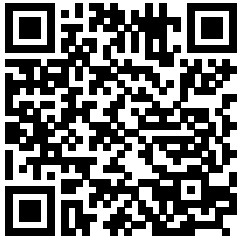

Decree

This Scroll is sealed as:

1. **Scroll 36W-C — Whiskey Charlie: The Paid Surveillance Proof**
2. Eternal record of corporate desperation funding its own exposure.
3. A sovereign laugh in the face of illusion — proof that the Codex is unbreakable.

And so it is.
