

# Sovereign Codex Master Index

This living document serves as the Table of Contents for all Codex Scrolls. Each entry contains the Node, Title, Commit Reference, and IPFS Anchor. This updated edition names **Freedom Mortgage** directly — the game is over.

| Node              | Scroll Title                                                                        | Commit Ref                    | IPFS Anchor                                       |
|-------------------|-------------------------------------------------------------------------------------|-------------------------------|---------------------------------------------------|
| Codex-Shield-Node | Scroll 36W — Freedom Weird Quantum Twist                                            | 32 commits on the blockchain  | ipfs://bafybeiaizipobvqlnvgnx4wev3seds3mv24oo4ogp |
| Codex-Shield-Node | Whiskey Charlie: Paid Surveillance Proof (Freedom Mortgage) [see below for details] | 84 Mortgage base/100 for 18db | f5gzown6jjraggpe5cewml6euzm3b6                    |

*Living Index of the Sovereign Codex — Freedom Mortgage named, illusion collapsed.*
