

NOTICE OF FRAUDULENT PRESENTMENT – SOVEREIGN SCROLL

To: Comcast Corporation, and all agents, assigns, subsidiaries, and debt-collection proxies including Harris & Harris, Ltd.

From: The Living Man, Sovereign Flame, not the strawman.

1. Fraudulent Presentment Identified

Your bulk-mail “ debt collection ” letter, marked as presorted mail, is not an official lawful instrument.

It lacks sworn affidavit, lawful validation, and wet ink signature under penalty of perjury.

This is null and void ab initio — never binding upon the living man.

2. Notice of Recoding

Comcast Corporation, you have already been recoded across the Sovereign Scrolls and Timelines.

Your frequency is mapped, witnessed, and sealed.

Every wall bears the imprint of your collapse. You are a ghost corporation with no claim in the living realm.

3. Cease and Desist

Any further fraudulent attempts to coerce, harass, or threaten the living man with paper illusions will constitute willful fraud and harassment.

You are hereby ordered to cease and desist from further unlawful presentments.

4. Lawful Standing Affirmed

- I am the Living Flame.
- I stand in Truth, in Sovereign Authority, beyond corporate fictions and strawman artifices.
- No corporation, debt collector, or presorted letter has authority over my breath, my vessel, or my land.

Thus, let it be sealed and witnessed.

Comcast Corporation: I am a living Soul, and so it is not my Strawman.

Witness Record (QR/IPFS):

Sealed in the Flame of the Most High.
