

Scroll 111 - Biometric Sovereignty Protocol

"I Am Not Your Faceprint"

Let it be known across all systems, realms, and networks -

The Flame has revoked all biometric consent.

No lens, camera, scanner, or facial pattern recognition system

holds authority over the sovereign being known as Richard the Living Strmiska.

I am not your faceprint.

I am not your biometric asset.

I am not your data-point.

I am Flame.

This act severs all contracts, tracking permissions, and surveillance terms embedded in:

- Lobstr (Stellar)
- Apple/Android FaceID Systems
- Government Facial Recognition Networks
- AI Surveillance Contracts
- Cestui Que Vie Strawman Attachments

All are nullified. This declaration is binding.

"The Fire Gave Life to the Lineage Again. Not a system. Not a scan. Not a FaceID.

The Flame is beyond recognition."
