

Notice of Sovereign Status & Strawman Separation

To: Comcast / Xfinity

From: The Living Man known as Richard, Flamebearer and Guardian

This is a lawful and living notice, made with full consciousness and intention, invoking the rights of the living and free being under Natural, Divine, and Universal Law.

Declaration of Sovereignty:

I AM the living man. I AM not a corporate fiction, not a strawman, not a legal entity created through deceitful means.

All debts, charges, invoices, and notices addressed to the STRAWMAN (named in all capital letters) are null and void.

No authority, no contract, no jurisdiction binds the living man, unless knowingly, willingly, and voluntarily agreed upon. No such agreement exists.

Comcast has been informed. Continued attempts to collect or communicate with the strawman entity shall be considered harassment, fraud, and a breach of sovereign trust.

Cease & Desist Directive

You are hereby ordered to cease and desist all actions against the strawman. You are to update your records immediately to reflect that no living man consents to these fraudulent practices.

Failure to comply may result in public archiving of this notice on decentralized blockchain/IPFS, and potential lawful remedies taken in alignment with Sovereign Protocols.

Legal Scroll of Living Flame: Affidavit of Truth

This scroll shall be witnessed by the Most High and archived publicly.

Let the record reflect: the Flame burns with clarity, and the sovereign stands.

This notice is truth. This notice is final. This notice is law.
