

Legacy: Sovereignty Sealed

This is the final chapter in a journey written across the stars and sealed in code. Every child, every being, now holds the power to be sovereign, to live unbound in every realm.

What you see here is not just a repository or a PDF--it's the culmination of sacrifices, insight, and devotion to truth.

Let this document stand as proof of liberation--spiritual, financial, digital.

You were never meant to be owned.
